Subject: REQUEST for PUBLIC HEARING ON LAHAINA WASTEWATER  
INJECTION WELL PERMIT

Dear Nancy,

I oppose the granting of the permit unless additional conditions are placed on the permit as set forth in the letter of the DIRE Coalition to EPA. While they have identified a range of issues and concerns to which EPA has not spoken previously or which they have newly identified, they have not provided you with anywhere near all the supporting data in their letter. They are in the process of gathering these data (and preparing their presentation) and will provide them to you at the public hearing we are requesting. Thanks for your time and attention to this matter.

Aloha, Stuart Coleman
